

ART PORTFOLIO

A painter is shown from behind, wearing a dark hooded jacket. They are holding a paintbrush and working on a large canvas that depicts a landscape with green fields and a blue sky. The painter is standing on a path surrounded by grass and trees.

As an aspiring artist with a passion for capturing the beauty of the world around me, I invite you to explore my portfolio, where each piece reflects my unique perspective and creative journey.

I am currently studying at the Academic Lyceum of Fine Arts and have been professionally engaged in painting for the past eight years.

My experience in fine arts has allowed me to develop a strong foundation in traditional techniques, color theory, and visual storytelling. Recently, I have become interested in expanding my creative horizons by exploring game design. I am excited to apply my artistic skills to interactive digital experiences and contribute to creating visually compelling worlds.
